

Commodity Futures Trading Commission

§ 1.49

not be deemed to require the application of purchases or sales closed out during the same day (commonly known as “in-and-out trades” or “day trades”) against short or long positions carried forward from a prior date.

(d) *Exceptions.* The provisions of this section shall not apply to:

(1) Purchases or sales of commodity options constituting “bona fide hedging transactions” pursuant to rules of the contract market which have been adopted in accordance with the requirements of § 1.61(b) and approved by the Commission pursuant to; section 5a(a)(12)(A) of the Act *Provided*, That no contract market or futures commission merchant shall permit such option positions to be offset other than by open and competitive execution in the trading pit or ring provided by the contract market, during the regular hours prescribed by the contract market for trading in such commodity option.

(2) Purchases or sales constituting “bona fide hedging transactions” as defined in § 1.3(z); nor

(3) Sales during a delivery period for the purpose of making delivery during such delivery period if such sales are accompanied by instructions to make delivery thereon, together with warehouse receipts or other documents necessary to effectuate such delivery.

(4)–(7) [Reserved]

(8) Purchases or sales held in error accounts, including but not limited to floor broker error accounts, and purchases or sales identified as errors at the time they are assigned to an account that contains other purchases or sales not identified as errors and held in that account (“error trades”), provided that:

(i) Each error trade does not offset another error trade held in the same account;

(ii) Each error trade is offset by open and competitive means on or subject to the rules of a contract market by not later than the close of business on the business day following the day the error trade is discovered and assigned to an error account or identified as an error trade, unless at the close of business on the business day following the discovery of the error trade, the relevant market has reached a daily price fluctuation limit and the trader is un-

able to offset the error trade, in which case the error trade must be offset as soon as practicable thereafter; and

(iii) No error trade is closed out by transferring such an open position to another account also controlled by that same trader.

(e) The statements required by paragraph (a) of this section may be furnished to the customer or the person described in § 1.33(d) by means of electronic transmission, in accordance with § 1.33(g).
